

## FCFF Bill and Ann Lott's Annual Outing and Fish Fry Tournament

For those attending the annual First Coast Fly Fishers outing and fish fry at Bill and Ann Lott's place, The Salty Feather will be sponsoring a Free Fishing Tournament. We figured that since most folks will be fishing already we might as well up the ante and make it more interesting. Not only will you have bragging rights for the year but we have several nice prizes to award.

**First Place** will be awarded to the fly angler catching the largest Bass and Bream combo who will win a water proof fly box from Fly Cast Outfitters with an assortment of Bass and Bream flies.

**Second Place** will be awarded to the fly angler catching the largest Bass who will win a Hobie soft-sided boat cooler.

**Third Place** will be awarded to the fly angler catching the largest Bream who will win a new Salty Feather Hat and T-shirt

**The rules will be very simple:**

Fish must be caught using fly gear

You must bring your fish in to be measured (if you have a livewell fish can be released after measurement or we can clean the fish and add it to the menu)

Angler can only win in one category

The tournament will take place during the morning and all fish must be checked in before lunch with awards presentation after lunch.
